

## Porcelain Painted Halloween Bowl

Here's a list of all the items you need to have before you can start this project.

I realise that it might be tough to find the exact same paint, but you should be able to create the same project as long as you buy porcelain paint that is water based and needs to be fixated in your kitchen oven. But please, make sure you read the instructions on your paint...

### Supply List

Talens Decorfin Porcelain Paint 700 (Black)  
Talens Decorfin Porcelain Paint 690 (Bright Green)  
Talens Decorfin Porcelain Paint 235 (Orange)  
Porcelain Bowl  
Paint Brush size 2  
Kitchen oven

***!! Make sure that your bowl fits in your kitchen oven, don't go overboard buying one that is too large!!***

### Buying the paint kit

If you cannot find the Talens Decorfin Porcelain Paint and don't want to buy some other brand of porcelain paint,, then buy the paint kit from me. I am from the Netherlands so the price for the three bottles of paint is \$29 including priority shipping to the USA. Go to the MCC main site to buy the kit or email me for further instructions [MCC@lageodesign.com](mailto:MCC@lageodesign.com)
