## Pyramid Cards Supply List

- Precision Tip Scissors (see picture below)
- Glue
- Decorative scissors of your choice
- Foam Blocks
- Cardstock in various colours (wait with buying until you have the kit!)
- Pyramid Card Kit

### The scissors

This is the actual size of the scissor, look at the tiny sharp tip... You need one like this or at least one similar to this for your precision work. Make sure your fingers fit in it too!

I can also send you those scissors, but they cost \$8.99 (US). If you want me to do this, just let me know...

### **The pyramid card kit**

Pyramid Card Kit is available for \$ 5.00 (US) this includes shipping! You can order it by sending me an email or use the order button in the class description or classroom. This includes one small sheet of foam blocks!

I only have a limited number of kits available, so make sure to order yours before I run out of them...

**Class start date:** September 15<sup>th</sup>

**Enrolment duration:** 30 days

Please make sure to download all the .pdf files once the class has started and upload your finished projects!
