

# Spazztastic Creations

Thanks for joining me for this class that will get you up and shooting with your camera before the holidays begin!

There is very little you need to have on hand for this class and most likely you have it all already.

You will need...

- Your digital camera
- Your manual
- And your excitement to get better photos!

This is going to be a fun class and I can't wait to see all your gorgeous pictures.

If you have any questions, please post it in the forum or [email me](#)! See you in class!
